Gil KS4YX wants to sell a Yaesu FT-857D, a bhi noise cancellation speaker, and a MFJ-993B tuner. Tom W1TEF offered 40 Quatloos or 3 bars of Gold Pressed Latinum.

There has been a lot of discussion and preparation for the upcoming SC/NC QSO Party (Feb 2017). Look for a lot of great rules and awards.

Don't forget the annual meeting in Columbia this January. I haven't made reservations yet, too early, but will soon. Be thinking of elections.

Dave WN4AFP and Tony K4AMA are working on a club contest that lasts for the whole year. Basically a compilation of all your scores of contests worked. Much more later.

Tony K4AMA says he is spending time everyday on the LCW0 net. Having trouble with H-5, B-D, and T-E. But only at 25-26 WPM. Shame. I know a number of us wish we had that problem....

Want to welcome again Hans WU0B to the club. Hope to see you in January.

Awards & Certificates Received:

Tom AJ4UQ received a certificate for his participation in the 13 Colonies Special Event. Specifically during the week of July 4th.

Dave WN4AFP received a certificate from WV for Non-WV Single Op Low Power.
